

Title

How do birds sing?

Season

Any seasons

Time

10 to 15 minutes

Target groups

Elderly
Children from 8 years

Objectives

To develop linguistic skills

Resources

2 sets of slips of paper. On one set there are names of birds and on the other set there are verbs describing how do these birds sing.

Description

Put the two sets of cards on the table all mixed up and spread out. Groups of 4-6 persons (elderly persons and children mixed) have to match them.

Generally elderly people are better in this exercise. Children can learn new words and how birds sing.
