activities

Title

Kids Police Academy

Season

Spring, Autumn (or other season)

Time

30 – 45 minutes

Target groups

Elderly
Children from age of 10

Objectives

To give a positive surprise to elderly people in a city park. Each older woman receives a flower and each older gentlemen receives a crossword.

To provide information about traffic rules and behavior to the young and elderly on the street

Resources

Flowers, old magazines, books, newspapers, crosswords, reflective vest for each student

Description

During the afternoon or weekend students in small groups (2-3 students) take a walk in the park and give flowers to all the older ladies and crosswords to the gentlemen from their own local community. Students can use this activity to talk to them about all issue they wish and to tell elderly information or requests which are important for them to share with.

Please, organize a safe walk on streets and in the park for all students. Provide them with information about traffic rules and directions.
