activities

Title

Making a Book mark

Season

Any seasons

Time

10 to 15 minutes

Target groups

Elderly
Children from 8 years

Objectives

Take part in a handcraft activity
Develop creativity

Resources

Thin cardboard of different colours
Newspapers or packing paper
Scissors
Glue
Pencil
Ruler
Model bookmark

Description

Elderly people and children can work in pairs.
Everyone chooses the cardboard of their preferred colours.
With the help of the model they cut the shape, stick different pieces of newspapers on it, and stick the flaps as the models show. <http://krokotak.com/2011/11/knigorazdeliteli/>

It's useful to prepare a big size model so that everyone can easily follow the preparation phases
